using

Certified by DLH expertise projects carrying a better satisfaction. Develop high-quality residential estate projects to improve the market for living and business, DLH real-estate.

Jaypee Greens:

Jaypee Greens, Greater Noida was the first project of the Jaypee Group, with which we pioneered the concept of golf centric luxury lifestyle homes in India. This project is spread over 453 acres, which has an 18 hole Greg Norman signature championship golf course with independent homes and luxury apartments, each unique with their distinct architectural design at par with the international standards. The project also integrates various facilities such as a 60 acre nature reserve, various theme parks & lakes, a 5 star resort designed in collaboration with the Six Senses, schools, town centers, recreation clubs.

Hicons Developers:

Hicons is an endeavour of like minded Associates who believe in 'Building Homes' set. To their high standards of excellence. Homes that you will want to come to, again and again. Homes that are more than luxurious living spaces. They seek to build homes that are in harmony with the surrounding spaces; making sure the environment and the people who live there blend in with ease. They have been around since 2005. Yet our story can best be described in one word 'Evolving'. The knowledge and expertise has been there since inception but our approach to each project is more at a personal level.

Group:

National group with interests in real estate, construction, healthcare quality. Hirco Group currently has over 66 million square feet under development in two large integrated township projects in India. These joint venture with Hiranandani, India's premier residential developer. Developments, the Group's construction and project management is known for executing large complex projects involving buildings and infrastructure. Hiranandani Palace Gardens in Chennai and Panvel new townships being developed by Hirco.
